

Registration for lunch

Dear pupils,
Dear parents!

Registration for lunch is as of now available online and cashless via the following link: <http://www.mica-catering.at> - choose **Anmeldung zum Mittagessen** .

How it works:

Choose between:

- **„Anmeldung für Ganztageschüler“** - Registration for the full school year. Changes are solely possible at the end of term.
- **„Tagesanmeldung“** - by the day, weekly, monthly or available as a permanent registration. Registration deadline is **10 o'clock, Thursday, previous week**. **Entries received after the deadline cannot be considered due to organizational reasons!**

subsequently complete the following fields:

- school
- personal data - (child surname!)
- standard or vegetarian menu
- choose requested days
- bank details of account holder

Payment is cashless for all pupils. The calculated sum will be debited from your account monthly. Bank details only have to be entered once per school year. Any bank fee charges due to uncovered accounts will be passed on to you.

Absences like school free days, field trips, ski courses etc..... must be canceled by yourself as soon as possible. We don't cancel bookings automatically.

In case of illness you can cancel a booking latest until 00:00 a.m. the day before at latest.
Later amendments are not possible!

De-registration from school:

We would like to point out that de-registration from school does not automatically result in a de-registration from lunch – this has to be done separately.

We are looking forward to your registration – enjoy your meal!
